Teach dyslexic students to read, write, and compute.
Supervise overall educational programs of students, including supervision of teaching assistants and providing direction for general education staff.
Maintain required special education paperwork.
Maintain regular contact with patrons.
Taught remedial summer school several years.

6th Grade Teacher
09/1981 - 06/1994
General education of sixth grade students

MSD Washington Township (Indianapolis, IN)
Teacher
09/1971 - 06/1981
Taught grades 4-6 for 7 years - Grandview Elementary School
Taught developmental 3rd grade for 3 years - Harcourt Elementary School
Taught Title 1 and remedial summer school 5 years

Other Employment

Like many school teachers, I've had the opportunity to work a variety of summer and part-time jobs over the years. These include 8 years of running a small (40 acre) rowcrop, livestock, and market vegetable farm, several years as a wedding photographer, working the loading dock at a small retail dairy, running a small educationally related web site for several years, two summers at a manufacturer's automotive warehouse, one delightful summer as a carpenter's assistant, and a good bit of computer hardware/software troubleshooting and repair.
